MAIN CHARACTERISTICS

The diagnosis made it possible to detect critical problems in various dimensions of urbanization and identify strategic and priority areas of urban development in Mozambique. NRV collaborates in the development of the National Urbanization Politics and Implementation Strategy, which aims to ensure that urbanization becomes a driving force for economic and social development. The objective is to promote the planned urbanization of the territory and the agglomeration economy in Mozambique, to produce cities and urban clusters where there is social equity, spatial inclusion and opportunities for all.
